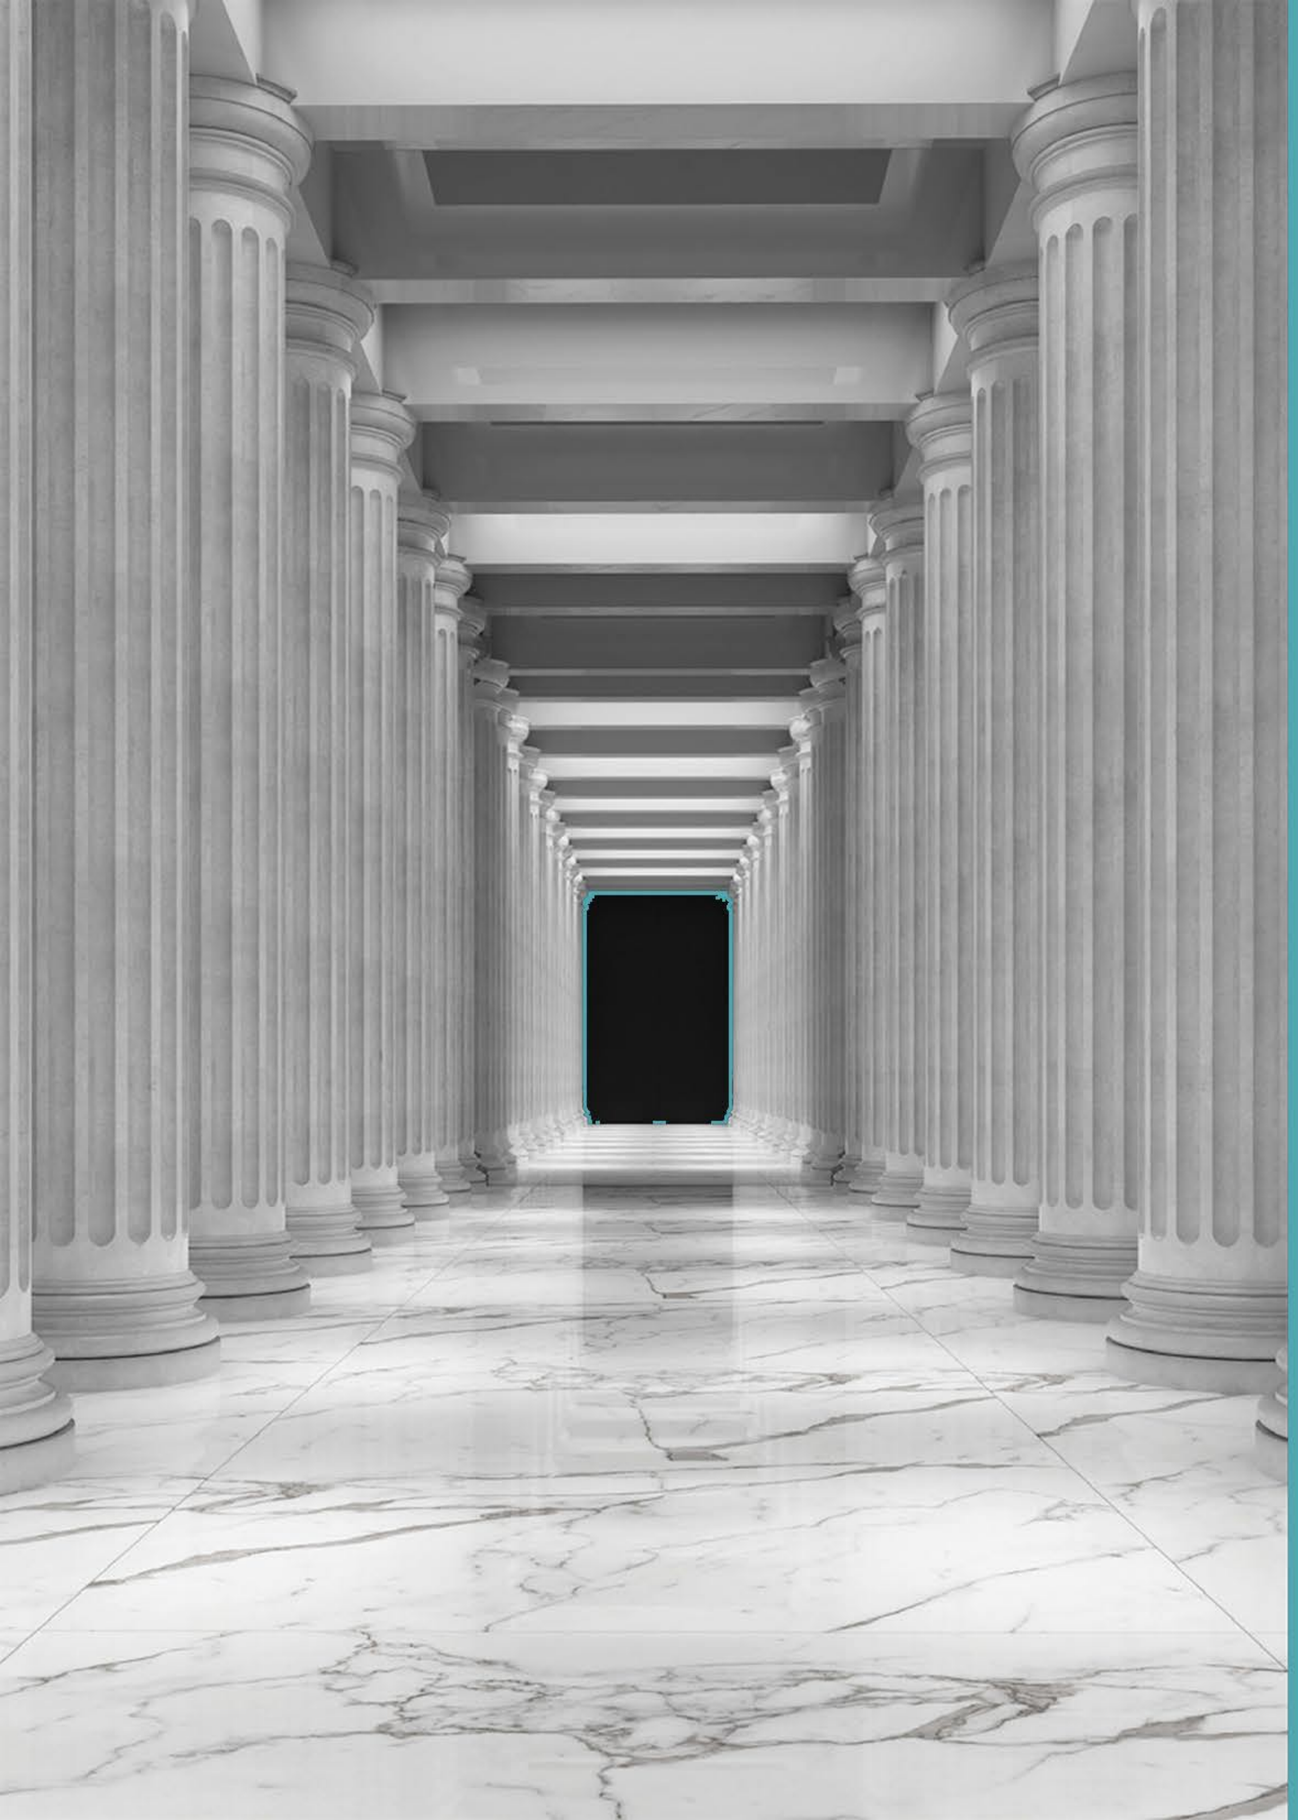
MARBLE ECO-FASCINATION

Marble has become a trendy material.

Nevertheless, its extraction implies an important impact on the environment. Thanks to the most advanced technologies in ceramic manufacturing, at seron, we have obtained a series of collections that reproduce to the finest detail of the aesthetic and tactile characteristics of this material, with an environment-friendly result. Thus, we can propose the experience of scarce marbles whose extraction is highly limited.



CLASSIC AND CONTEMPORARY

For centuries, marble has been an inspiration to architects and sculptors.

A design with the seal of elegance that only the real classics possess. Everlasting and eternal.

A SEARCH FOR THE BEST MATERIALS

We have traveled the whole world
in order to find the most unusual,
precious marbles

From the passion to offer the most exclusive, unique materials, ceramic marble collections are born.

WE APPLY THE LATEST TECHNOLOGIES
IN CERAMIC MANUFACTURING PROCESS
IN ORDER TO OBTAIN DURABLE COLLECTION.
